The Board discussed a request received from Nina Napoli of Supor & Son Trucking Company to transport a super load of 290,000 pounds on Brookside Road in Pine Grove Township. Zimmerman said the weight of the super loads is spread out over several axles and is not much more than regular truck weight. Budget Discussion

Ferguson said she moved her projected 2005 expense figures to the 2006 proposed budget column as directed at the last budget meeting and also made other changes approved at the last budget meeting. Ferguson said she combined the line items in the General Fund Budget as Zimmerman requested. The Board reviewed the copies of the proposed 2006 General Fund Budget.

Ferguson said she received the notice of estimated allocation of Liquid Fuels money for next year and put the amounts into the proposed 2006 Liquid Fuels budget; the Township will receive an additional \$8,095 next year. Zimmerman said one thing they forgot to do this year was put the top coat on Scenic View Road as they had agreed to; he feels the extra \$8,000 Liquid Fuels money will cover that expense and suggested the \$8,095 be put under Liquid Fuels Highway Capital Construction expense item. The Board agreed to Zimmerman's suggestion.
